PROFILE SUMMARY

Frontend Developer with 5+ years of experience building scalable, user-focused web applications using ReactJS, NextJS, Tailwind CSS, Zustand, and TanStack Query. I have experience solving real-world challenges — from translating pixel-perfect Figma concepts into production-ready UI to delivering robust full-stack solutions and optimizing performance, integrating AI-driven features for enhanced usability. Strong background in teaching, mentoring, and digital literacy advocacy, with a proven record of delivering solutions that impact education, business, and communities.

CORE SKILLS

Frontend Development: ReactJS, NextJS, Material-UI, Framer Motion, Tailwind CSS, Chakra UI

Shadcn UI, Lucide Icons, TypeScript

Backend Development: node js, express js

State Management: Zustand, TanStack Query

API Integration: REST APIs, JSON

Collaboration Tools: GitHub, Agile/Scrum, VS Code, cursor, postman

Other Competencies: Digital Literacy Advocacy, AI Integration, Mentoring

PROFESSIONAL EXPERIENCE

Lexington Technologies – Senior Frontend Developer
Present

Kaduna | January 2024 –

- Designed and deployed ReactJS/NextJS applications with pixel-perfect UI.
- Implemented state management using Zustand + TanStack Query, improving load speed by 20%.
- Introduced AI-driven features (autosuggestions, content generation) in client projects.
- Collaborated with designers and backend engineers to deliver scalable, high-quality software.
- Facilitated frontend coding bootcamps for interns and junior devs.

Key Achievements:

- ✓ Delivered 3 enterprise-grade apps (2,000+ users).
- ✓ Cut frontend build time by 30% via optimized workflows.
- ✓ Mentored 10+ junior developers to production-level skills.

Ngsoft Limited – Frontend Developer (Intern/Contract)
2023

Kaduna | May 2020 – February

- Maintained and optimized school management systems using HTML, CSS, and JS.
- Contributed to React-based components, refactoring legacy code for better performance.
- Trained 100+ learners in digital literacy through workshops and coding sessions.
- Supported integration of AI automation tools to improve educational platforms.

Key Achievements:

- ✓ Built frontend for school management software used in 10+ schools.
- ✓ Spearheaded community coding workshops across Kaduna.

-
- **E-Learning Platform** (*ReactJS, NextJS, Tailwind CSS*)
 - Interactive LMS with user dashboards, course progress tracking, and file submissions.
 - **AI Task Automation Tool** (*React + Python API*)
 - Productivity app automating repetitive tasks; reduced manual work by 25%.
 - **Portfolio Website** (*NextJS, Tailwind CSS*)
 - Personal responsive portfolio featuring project showcases, GitHub integration, and blog posts.
 - **Community Bootcamp Trainer**
 - Designed project-based curricula; mentored learners in HTML, CSS, and React fundamentals.

EDUCATION

Ahmadu Bello University, Zaria

BSc in Education, Computer Science – *Second Class Lower* (2017 – 2023)

Key Coursework: Data Structures & Algorithms, OOP, Web Development, Database Systems, Software Engineering, Instructional Design

CERTIFICATIONS & RECOGNITIONS

- B.Sc. Education (Computer Science) – Ahmadu Bello University, Zaria
- President, Community Development Service (CDS) – NYSC

LEADERSHIP & VOLUNTEERING

- **Mentor** – Organized coding workshops introducing 100+ students to frontend basics.
- **Digital Literacy Advocate** – Championed DL4ALL Initiative outreach in rural Kaduna.
- **Community Builder** – Promoted technology adoption and digital inclusion.

HOBBIES & INTERESTS

Frontend coding challenges | Chess | UI/UX design | Open-source contributions | Mentoring junior devs | Basketball | Gaming
